

SIMON NJOROGE

Full stack Web Developer

Graphics Designer

Developer

PROFILE

I am an enthusiastic, self-motivated, hard-working and a passionate full-stack web developer. I work well under high pressure and adhere to strict deadlines. I am passionate about bringing both the technical and visual aspects of digital products to life, user experience, beautiful pixels and writing clean human code matters to me. I am looking for a role where I can use these skills to manage and execute complex projects in a team environment.
